Year 6 Residential Trip to Kingswood

One of the highlights of the school calendar is our week long residential trip to Kingswood Centre, in West Runton, Norfolk. The children get to try out new skills and activities and learn a lot about how much they really can do. It is a great way to start their final primary school year and helps cement those important relationships in Year 6.

Mr Billings, Miss Bailey, Mrs Rowe & Miss Roberts-Caley have had the best weather for years in Norfolk. One tiny shower at the beginning of the week (and a very large shower yesterday over a particular group of children courtesy of Mr Billings!).

Photos have been tweeted out during the week, giving a flavour of the types of activities that the children have enjoyed during the week. Here are just some of the photos ...

DID YOU KNOW..?

SJG School Coats have a label in the pocket that you can write your child's name on, so we can match lost coats to their owners!

DOGS !

We love dogs, cats, hamsters, rabbits etc, but please do not bring your pets on to either of the school sites.

This is for the safety of our children and the wellbeing of your dog.

Thank you.

Writing Week

Next week is our Writing Themed Week. The children will be finding out about all the different ways we can communicate through writing.

It would be great if you could show your child how you use writing—for example, in writing texts, or emails, or list making, or even thank you letters, etc.

Newsletter Challenge

Each week we will print a partial photograph of an object in the school. All the children have to do is say what the object is and where in the school the object is.

The partial photo from last week was from the cross stitch panel of Mr Billings name on the Heads' Door at Town site.

This week, a new partial photo....

If you are on Town Site—answers to Mr. Bates door. If on Abbey Site—answers to Mrs Smith's door.

And Finally...

We had an impromptu whole school lunch on the Town site today! The digital sensors at Abbey Field shut off the gas supply to the kitchen this morning, so Mrs Burke, Mrs Blackery and Miss Hosier prepared and served a mammoth 252 school dinners at the Town site. Our staff and pupils are all truly amazing.

Have a good weekend
