2nd October 2017

Dear Parents,

As you are aware, the School is planning to go cashless from this week enabling parents to pay for school meals, Breakfast Club, Residential Trips, Swimming, School Trips and Music Lessons online.

The online payments can be accessed on SIMS Agora through the school website. You will also find more information regarding this on the website under "Parent Information".

If you have received your letter providing the SIMS reference number for your child to log on to system, but you are not able to do so, could you please provide details in the box below and return the school office as soon as possible to enable us to help resolve any problems you may be experiencing.

Many thanks

Sarah Shuttlewood
Office Administrator

Child's Name and Class:

Please provide details of the problems you are experiencing when logging into SIMS Agora.
