3rd July 2017

Dear Parents,

Please find enclosed your child's report for the end of the third assessment period. **Please remember that this report is for you as parents.**

We have tried very hard to ensure that the information it contains is both relevant and pertinent to keeping you informed as to how your child has progressed this academic year.

The expectations for children in each year group are in the table below. If your child is not at 'S' or 'S+' then there are gaps in some areas of their understanding and the application of that learning in their work and this means that they will need additional support to access the curriculum next year. It is important that we work very closely with you as parents, so that you can support your children at home to help them make accelerated progress and to close those gaps.

Year Group	End of Year Expectation (Assessment without Levels)
EYFS	ELG
1	Year 1 (S)
2	Year 2 (S)
3	Year 3 (S)
4	Year 4 (S)
5	Year 5 (S)
6	Year 6 (S)

We fully accept that for all children to reach their true potential and succeed in life we need your support. Good attendance is obviously key, but more specifically; reading with your children each day, practising their spellings and x tables with them, talking to them and encouraging them, will embed within them key skills which do make a difference in their learning.

Please carry on supporting your child in their learning each day over the summer break to ensure your child continues with the progress they've made.

Please however, do remember that learning is a journey and children do and will progress at different speeds. The two obvious questions to ask yourself are:

- Is your child happy at school?
- Are they progressing at the right speed in their learning?

If the answer to either question is no, then please speak to your child's classteacher, Mrs Bourne, Mrs Bullivant or myself.

On the school website in 'Parent Information' – 'Assessment Period Reports' is an information document that breaks down the different sections of the report.

Please don't forget Open Evening this Thursday, 7th July from 5.00p.m. – 7.30p.m. at both sites. Please do come along to enjoy your children's work and talk to the class teachers about how your children are progressing, as well as meeting informally with your child's class teachers for next year.

Regards,

Simon Billings
