Summer Fair

At the time of writing we're as keen as possible for the Summer Fair to take place today as all the preparations (bouncy castles/food etc) has been geared up for today.

It will probably be a bit wet—but, look at it like an adventure—we'll do our best to keep going. So unless it just becomes horrendous we're going to try and carry on. Please come along if you can, bring a coat, bring a towel and most definitely bring some money.

Open Evening

Please remember that next Wednesday from 5.00p.m.—7.00p.m. is the school's Open Evening.

This is your opportunity to meet your child's current class teacher (and say goodbye) it is also an opportunity to go and meet your child's new class teacher.

Mrs. Burke and Mrs. Blackery will cook up a treat or too, just for you to sample and also in both halls (AF & T) will be a whole load of lost property.

Please have a look through the lost property because at the end of term it is all being passed on.

Sports Days

The weather is not looking totally brilliant for next week with a little bit of drizzle and rain thrown into the mix.

All children (EYFS—Year 6) should come to school in their PE kit for their Sports Days.

Please also could parents make sure that all their children also have a raincoat in school. This really should be every day—not just for Sports Days!

AP3 Reports (EYFS—Year 5)

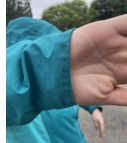

Next Wednesday your child will bring home their final AP3 reports.

Please remember that this report is for you as parents. It will detail their final end of year data and give an overview of how they have progressed this year.

AP3 Reports—(Year 6)

For the Year 6 reports we'll be waiting on the Year 6 data following on from their SATs. If we can access this and get it to you by Wednesday we will, otherwise, Year 6 reports may well come out a few days later.

Miss Mitchell

Very sadly Miss Mitchell will be leaving us at the end of this term and will be moving to Beijing to

teach in an International school for a couple of years.

Many parents and children I know have worked closely with Miss Mitchell over the years and will want to pass on their thanks for her work as a class teacher and in supporting their children in school. I will try and find a better photo but Miss Mitchell was really not being very helpful! She was very stubborn!

Hanna Simmonds

Hanna has worked at our school for over 22 years and has decided to retire at the end of this year. Hanna currently works as a senior Learning Support Assistant in Year 4.

I cannot thank Hanna enough for all her hard work, effort and enthusiasm over the years and we all wish her the very best. As with Rhianna—we felt that parents would like to know.

Bags and Books

Children will be bringing home next Thursday their old school books, NOT their most current ones/the ones that they are still using. Please could you send them in with a bag next Thursday to help them carry them. Many thanks.

Saying Goodbye Butterfly

It's always sad saying goodbye and this week class Romans said goodbye to some butterflies they'd seen through from caterpillars. This was all linked to some of the work they'd been doing on 'Life Cycles' - all the butterflies safely flew away—save one, who just wasn't quite ready yet.

Summer Read

Marvellous Makers is coming to a library near you this summer!

Essex Library Service and The Reading Agency are teaming up with Create for a very special 2024 Summer Reading Challenge which will be a celebration of the creative arts. We'll be inspiring children to express themselves in creative ways, tap into a world of imagination and storytelling, and - of course - to read!

Children will join our wonderful characters, brought to life by the brilliant children's illustrator Natelle Quek, as they prepare for a big festival to show off the work they have created, inspired by their favourite reads. However, the day before the festival, some objects mysteriously go missing from their creative toolbox. The children of Essex will help our characters find these missing objects and save the festival!

The challenge runs from Saturday 20 July to Saturday 7 September in all Essex libraries and mobile libraries. There will also be a special early joiners' day on Saturday 13 July!

Children are being asked to read 6 books, they will collect stickers for their folder for each book they read. After reading 6 books they earn their certificate and medal.

Children can read any library book of their choice; fiction, non-fiction, picture books, books they share with parents and carers, e-books or e-audio - they all count. The under fours are not forgotten with a special version of Marvellous Makers just for them.
