#### Forest Schools

Last week at Forest School, the saws and drills were in use as the children made a woodland medallion. To make their necklaces they had to cut their pieces of wood using a saw. They then used a drill to put a hole into it to thread the string through and finally decorated it. The children took on board the safety issues and successfully and carefully produced their own unique medallion.

#### Royal Wedding Picnic

It was a warm sunny lunchtime as the Year 1 and Foundation classes joined the rest of the school for our royal wedding picnic. The children looked fantastic wearing their beautifully decorated crowns and enjoyed having their lunch on the field. A big thank you to the PTA who supplied the jewels and other resources to help create the amazing crowns and the royal bubbles that each child received at the end of the day.
