

Geography Project

Around the World

This week in our assemblies, I shared with the children my favourite place in the world, my birthplace, Barbados. I wanted to create a Geography project that reflected the diversity of the pupils and staff at our school and build on the children's geographical skills and knowledge.

Choose a country or place and research to find the following:

Country

The Flag- What does the flag represent?

National Dish

National Flower

National Anthem

National sport

Favourite thing about the chosen country

Place

Why is it your favourite place?

Important information and facts

Please can you create a poster with all of the facts and a shoebox about your favourite place/thing about the country or place that you have chosen. You have until the 21st of April to complete it and then a winner will be chosen from both of the phases and all participants will get a non-uniform day. I hope you all have a go and I am really looking forward to seeing the results!

Mrs. Palmer ☺
