Poetry Walk

After the successful Poetry Walk, Maya-Olive was our 'Roving Reporter' to find out how the walk was perceived by those who attended.

'Jane's Walks' are all about members of the community leading other people around local spaces (this time it was SJG children!). The children showed their knowledge of One Square Mile and Billie, who led the walk, said that the audience thought the poems were great and the audience asked the children loads of questions, which the children answered beautifully.

Huge thanks to Rupert, Jack, Nina, Tilly, Natalie and Jasper. Miss Salmon and Mrs. Woodham were also leading and said that the children were a credit to the school.

Year 1—Cudmore Grove

Year 1 had a wonderful trip to Cudmore Grove! They immersed themselves in nature, walking through the woods to find sticks, flowers, and leaves. With these natural treasures, they created bold and proud flags that would fly high on top of their sandcastles.

While playing by the shore, they dug deep into the seaweed and clay sand, disturbing tiny angry crabs that scurried off into the sea, darting away!

In the afternoon, they spent their time creating beautiful shell necklaces and natural material mobiles. They carefully threaded the shells onto string, and mixed twigs and leaves to make their mobiles dance in the breeze.

On the return journey, hearts were full of joy and laughter. Children talked excitedly about their wonderful treasures—the colourful shells, the impressive flags, and the amazing crabs they had seen. Everyone shared their favourite moments, and it felt special to be together enjoying nature.

This trip to Cudmore Grove was not just a day out; it was an adventure that will always be remembered!

Shared Supper/Picnic

On Thursday 5th June, (straight after Half Term) we have a Shared Supper/Picnic at AF.

Parents, please bring along with you a dish that can be shared. This can be anything from savoury to sweet.

Once we've all finished eating—children will be taken away for a bedtime story with the school staff.

Many parents have come before and it will be great to see as many parents as possible.

We will send out a further letter/reminder on Monday straight after HT.

Marley

A few weeks ago now, Marley attended a football competition with his football team.

The tournament was held over 2 days and Marley's team came 3rd, losing only once throughout the weekend. A great feat considering some of the teams having many professional academy youth players.

On collecting their 3rd place trophy, they were able to shake hands with Sue Smith, a former professional footballer and now Sky Sports pundit, along with World Cup Winner and Chelsea legend Emmanuel Petit.

Well done Rowhedge FC U9's and of course, Marley.

Mobile Phones

Many parents will, I hope, remember that the FGB has made the decision that, from September 2025, mobile phones for children will not be allowed in school. This is all part of a campaign that the school is supporting <https://smartphonefreechildhood.co.uk/>

From after HT, children should not use their current phones in school, if waiting to be collected or on the school site. The school will be sending much more information out about this after HT.

Rights Respecting Schools

Article 14: (freedom of thought, belief and religion) Every child has the right to think and believe what they choose and also to practise their religion, as long as they are not stopping other people from enjoying their rights. Governments must respect the rights and responsibilities of parents to guide their child as they grow up.

Our Scarf (PSHE) Theme for next Half Term— Growing and Changing.

All children in Years 1-6 will be bringing home a letter today which talks about 'Growing and Changing' and the things children will be learning at school.

Please note that, as per the letter, it is a legal requirement for children to take part in these lessons and parents DO NOT have the right to withdraw their children.
