our learning

#### Ducks

There was great excitement in the Foundation classes when 6 duck eggs were delivered. It didn't take long until the eggs started to crack and by Friday all 6 ducklings had hatched.

The children and adult's were absolutely fascinated by the experience and enjoyed observing the fluffy ducklings as they became stronger and if possible even more cute.

#### Teddy Bear Picnic

Foundation Parents we would like invite you to our Teddy Bear Picnic on **Friday 13th July** 2pm-3pm  
Bring your Teddy, blanket, small snack and drink

#### Learning in Year 1

Another busy week in the Year 1 classes with the children developing their knowledge of repeated patterns using a selection of different colours and shapes. Then in pairs the children continued their learning by applying their knowledge on the iPad's.

#### Don't Forget

Foundation Fantasy World Dressing Up Day is on **Tuesday 17th July** If you do choose to dress up, the outfit could be anything from a head band, to face paint or a whole costume.

May we please remind you to send children in suitable shoes and coats/hats depending on the weather as they will still be going out at lunchtime.

#### Forest Schools

On Wednesday it will be the Foundation children's last Forest School session. I am sure you will agree that the children have been engaging in some brilliant and fun learning experiences.

This is down to the hard work of Mrs O Shea and Mr Bromley who prepared the site, set up the activities and encouraged the children to successfully participate.

A big thank you to the parents who were able to give up their free time to support the children walking to and from the woods and joining in so enthusiastically.
