School Council Forest Schools

Last Monday afternoon, 6 members of the school council made the short walk to Kendall School to join some of their children for a special Forest School. In the time they were there, they managed to fit in a huge number of activities: they played a welcome game, chose Forest School names, lit a Gambian fire using a flint and steel, built dens using any material they could find and had them tested with a watering can. They used rope swings and climbed along parallel ropes, explored the amazing 2.5 hectares of forest school at the school site, quickly making friends and all working together as if they had known each other all their lives.

Year 3 Art Trip

Yesterday, the Year 3 classes went to Castle Park and Firstsite for the day. The children were able to sketch plants, key features of the park and then to observe some of the art in Firstsite. As always, the children's behaviour was excellent and even commented on by passing members of the public. Well done Year 3.

Lost Property

On Friday, we will be putting lost property out in the playground for you to look through. Please come and see what we have collected over the past academic year! There is everything from fidget spinners and glasses, to trainers (odd ones!) and school sweat-shirts!

Book Reviews

Nida, Rose and Evie-Anna in Paxman Class are keen to promote our love of reading. If any children would like to complete a book review of a book that they have enjoyed, please go to Paxman and get one of the book review sheets that the girls have made. Winners will be announced on Friday.

Dates for the Diary

Thursday 19th July. Last day of Summer Term.
