Foundation Fantasy Shoe Box Challenge

Last Friday the foundation children used their creative and imaginative skills to create their fantasy shoe boxes. Parents were invited to come and share the experience with the children and it was lovely to see so many parents able to attend. For over an hour there was lots of drawing, cutting, sticking and chatter taking place and the final result was some absolutely amazing shoe boxes. I believe they have been sent home so you can all enjoy the children's hard work.
