Parents' Evening

Thank you to all of the parents who came to Parents' Evening yesterday. It is always wonderful to see so many of you attending these evenings. As always, we appreciate your on-going support. The children were very proud to invite you all by writing their letters and

At the end of the day, the most overwhelming key to a child's success is the positive involvement of parents.

Music Assembly

On Wednesday, the children who have music lessons at school, took part in a Music Assembly. It is quite a daunting task to perform in front of a large audience, but the children were exceptional. We even had some guitar playing and singing combined. Well done to all who took part and thank you to the parents who came along too.

Layer Marney Tower

Oysters and Magnets had a fantastic day at Layer Marney Tower on Tuesday. They learnt all about the tallest Tudor Gatehouse. It was built in the reign of Henry VIII. The children were able to uncover artefacts, admire the amazing architecture and most importantly, they got to see some pigs and cats!

Writers' Day

Some of our Year 3/4 children took part in a writing workshop on Thursday. They got to meet and work with the author (Colin Parsons) who supported the children with their writing about being transported to another world.

Firstsite

On Tuesday, 40 of our children visited Firstsite, in order to take part in a 'Commonwealth Lunch'. The children had a fantastic time, sampling a range of foods from different cultures, as well as exploring music, dance and story telling.

Bar Modelling Challenge

Can you answer this question using bar modelling?

All the children in the school are going on a residential trip to the outdoor activity centre. They will be divided into 6 equal groups. If there are 246 children in the school how many will be in each group?

Answers into folder on Mrs O'Shea's door at Town and Miss Salmon's door at Abbey.

And Finally,

Mercury Class went to Forest Schools this week and they were joined by Mr Bates. Fear not everyone, the excitement of the camp fire did not cause Mr Bates to faint or require a rest. This is him heroically blowing air onto the camp fire to get it going! I believe that he was a boy scout, back in the day...

Have a good Weekend
