#### Year 1 Celebrate Art Week

The painting 'A Roman Triumph' by Rubens was the stimulus for some fantastic creative work in the year 1 classes during Art Week. After studying and discussing the painting the children took part in some Dramatic Arts with Annie Eddington. The children used their experiences to create elephant masks and then held their own Roman Parade in the play-ground. All the children enjoyed the opportunity to take part in some memorable learning experiences. A big thank you to the PTA for paying for the artist to come into school and Miss Kerr for organising such an amazing week.

#### Forest School

As you can imagine last week was one of the children's favourite forest school sessions as the children learnt how to safely light a fire and after cooked marshmallows. The children listened and followed instructions sensibly and they all had the opportunity to use a fire lighter and roast their own marshmallows. Great fun!

#### Foundation Trip to Cudmore Grove

Last week all the Foundation classes visited Cudmore Grove to take part in a variety of activities based around their Fantasy Theme.

On the beach the children had a treasure hunt and created seashell necklaces, whilst in the woods they also created dens for fantasy creatures.

The Foundation children enthusiastically took part in all the experiences and were kept busy all day only stopping for their packed lunches. It was little wonder that there was a number of sleeping children on journey back to school.
