Kidical Mass

Kidical Mass has a vision. That vision is for children and young people to be able to safely and independently travel by bicycle wherever they live. Their motto is "Space for the next generation". A child-friendly city is a city that's good for people of all ages. Kidical Mass gives young people a voice and a presence in the public realm. Our cities and streets belong to them too!

Kidical Mass Rides are designed to be inclusive for all ages and abilities, for disabled and able-bodied alike.

The rides are fun, safe environments for families and friends to cycle together. Kidical Mass rides highlight the need for safe, segregated routes that enable children to walk, scoot, wheel and cycle in their neighbourhoods.

Kidical Mass rides give visibility to a better, healthier and lower carbon future for young and old alike. After all Kids Are Traffic Too.

The **Big** Question for the Summer Term Assessment Period — How do I Make Good Decisions?

Our Jigsaw Theme for this Half Term— Relationships

Rights Respecting Schools

Article 14 (freedom of thought, belief and religion) Every child has the right to think and believe what they choose and also to practise their religion, as long as they are not stopping other people from enjoying their rights. Governments must respect the rights and responsibilities of parents to guide their child as they grow up.

School Councillor Assembly

Last week, Year 2, Year 3 and Year 4 School Councillors took the opportunity to present during assembly at Town site. They talked about their favourite subject and why they like it. They linked the skills that they develop from their subject to another subject. It was very inspiring for everyone to hear about their aspirations and how these skills will help them achieve their goals.

PTA Quiz Night

Please don't forget—next Friday is our PTA Quiz Night at AF.
It's really just about the company without your children. Cunningly devised questions to tease and torment you—(not that I've written them yet...)
Please grab some friends and come along if you can. Details as below.
Ps—The staff team is never usually a huge threat!

Netballing Success

Following on from their first victory a few weeks ago—our netballers continued their winning streak with a magnificent win against Home Farm Primary School, four goals to one.

As before, their dainty footwork, slick passing and exceptional shooting carried the day—a slick victory.

Really well done to our netballers and of course Mr. Gilbranch, who has coached them to their peaks of sporting prowess.

Congratulations to Tia—Group 2 Rotary Club Young Artist Winner

Huge Congratulations to Tia who won Group 2 of the Rotary Club of Colchester, Young Artist Competition and was

presented with her award and trophy last week.

Brilliant.

No Matter how you feel, Get up, dress up, show up, and Never give up

Well Done Year 6

A huge well done to our Year 6 children who had their KS2 SATs papers this week.
A brilliant effort from them all, with each and every child showing incredible resilience and determination.

Mrs. Smith, Mrs. Wall and Mrs. Woodham couldn't be prouder of them and neither could I.

When we're allowed to, we'll tease you with some of the questions they were asked—sadly we're not able to do that yet.

Year 6—Well Done to you all and have a very good weekend.
