our learning

A Visit from the Dogs Trust

On Wednesday Maria Gill from the Dog's Trust took the Abbey site assembly. During the session the children learnt about dogs and how to care for them. To support Maria she brought along a life-sized soft toy dog called Rocky who

was much quieter and better behaved than the real thing.

Learning in Year 1

Last week the year 1 children used their knowledge of how to follow written instructions to create some fantastic Mother's day and thank you cards. Each child was given a set of instructions and access to a range of resources and independently set about producing their cards.

I am sure the lucky person who received one of these cards would have been very impressed by the brilliant effort that the children had put into them.

Life Bus

The Foundation and Year one children have all had an opportunity to visit the Life Bus. With the help of Nancy and Harold the giraffe they found out about the topics 'All about Me' and 'Healthy Bodies'. The children were very enthusiastic and fantastic learners. When back in the class the children continued to

build upon their knowledge during circle time. A big thank you to Nancy and Harold for making this such a fun learning experience.

Weekly Awards

Jumbo: Ivy Brice

Star: Lianna West

Chariot: Emily McGivney

Eagles: Nicole Krzeminska

Circus: Amelia Sote

Roses: Evie Galloway

Lower Phase Reading

Class	% Reading
Star	94%
Jumbo	89%
Chariot	90%
Roses	83%
Eagles	100%
Circus	85%

Learning in the Foundation Classes

Last week the Foundation children found a dinosaur egg in their classroom. As a class they discussed the best way to keep the egg safe and decided that a nest would be the most suitable method. In pairs the children were challenged to independently create a nest for the egg using a wide range of resources. All the children worked collaboratively and produced some amazing nest and met their success criteria.
