**23/04/2018**

We Maths

We are all  
writers ...

We are growing  
our learning

#### Dodge Ball Tournament

Last week during their PE lessons the Year 1 children took part in the inter-house Dodge Ball tournament. The children quickly grasped the rules of the game and then in their teams took part in a number of games. The team spirit and enthusiasm was fantastic to watch and the children have found a new game that they will be wanting to continue to play.

#### Learning in Year 1

It was a very creative time in the Year 1 classes as the children made Tudor houses to support their London theme.

After finding out about the features of Tudor homes the children designed their house based on their knowledge. Then using the resources available they independently constructed their houses. Their final products were amazing and demonstrated that the children are able to transfer their learning to other areas of the curriculum.

#### Year 5 Story Sharing

Last week the year 5 children worked very hard writing their own stories about dinosaurs. Once they were happy with their final copies on Friday afternoon they went to the Foundation classes to share their stories. The younger children had a wonderful time listening to the different stories and spending time with the Year 5 children. A big thank you to the Year 5 children for sharing their brilliant work.

#### Weekly Awards

**Jumbo:** Riley Mason-Leather  
**Star:** James Wilkins  
**Chariot:** Ariyan Mustafa  
**Eagles:** Harry Cording  
**Roses:** Lexi-Anna Smith

**Heads' Award:** Roses

#### Lower Phase Reading

Class	% Reading
Star	97%
Jumbo	71%
Chariot	91%
Roses	87%
Eagles	97%
Circus	79%

#### Learning in the Foundation Classes

It was another busy week in the Foundation classes with the children learning about 3D shapes and their properties. They then had the opportunity to use 3D-shapes in their play to further support their learning. This included using the laptops with a partner to access a 3D shapes recognition game.
