Class Awards

Well done to ...

Claudius: Tylerscott McCree for settling in well and being a good friend to everyone in the class

Mercury: Charlotte Anderson for magnificent attention to detail in her writing

Iceni: Joseph Abbott for working diligently

Dutch: Ruby Fricker for good humour, patience and kindness

Castle: Aimee Philpin for writing with flair

Heads' Award: Class Iceni for a well attended and educational Parents' afternoon

Spot Award: Cameron Harris and Filip Roszak for clear explanation of problem solving in number work

Attendance: Winners this Week—Roses 99%

Claudius—94.8%, Mercury—96.2%, Dutch—98.4%,

Iceni—97.3%, Castle—93.3%

Middle Phase Reading

We expect children to read 5x a week and to get their reading record signed at home. Those that read 5x a week are entered into a draw for a free book at Awards Assembly on Friday.

Class	% of Readers
Claudius	100%
Mercury	100%
Iceni	86%
Dutch	100%
Castle	90%

Danbury Yr4

Reminder—£55 first instalment for Danbury visit is due by 4th Dec

Team Points Total This Term

ABBEY	3592
COLNE	3823
PRIORY	3233
SIEGE	3362
TEMPLE	3711

Top Team this week is Temple with 347 team points!

The winning team have their own Non-Uniform Day next term.

Children's University

We are so proud of the achievements of the 16 pupil Graduates who attended the Graduation Ceremony at Essex University on Saturday. They received a variety of awards to signify at least 30 hours learning outside of school time. The Children's University is a national scheme for learning, see www.essexchildrensuniversity.co.uk for further details and the school office for applications.

Music Assembly

What a treat this morning, with our young musicians playing some festive tunes! Guitarists and violinists under the expert tutelage of Mrs Luff and Mr Clarke entertained us. It is amazing to see just how much the children have learned since September.

We ♥ Maths

We are all writers ...

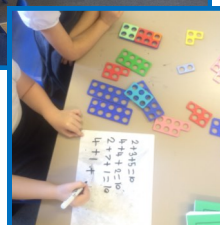

We are growing our learning

Maths in Claudius

Miss Gammans sent in these photos of her class working out number problems using Numicon tiles.

MUD, Play, Learning and ... more MUD !

Some lucky children are helping Mrs O'Shea and Mr Bromley attain their Forest Schools certification. The challenges involve problem solving, teamwork and reflection (and a good deal of washing at home afterwards!).
