### Number Day in Aid of NSPCC

Our mathematicians had plenty of number related activities to get their teeth into today, all in the good cause of raising money to support the National Society for the Prevention of Cruelty to Children. I am very impressed with the creativity of the number related clothing! Here are some examples...

At the end of the day, the most overwhelming key to a child's success is the positive involvement of parents.

### Netball Success

A home match this week against Lexden Primary and the temperature was much more Spring like! Well done to the SJG team, winning 7-2, with great spirit.

### St Helena Taster Day for Year 5

We enjoy good relationships with our feeder secondary school St Helena. Oysters class were delighted to take part in a Year 5 taster day this week. The best thing about Wednesday (I am told) was the opportunity to dissect owl vomit. Lovely.

**Fire, Fire!** - Essex Fire and Rescue Service Education Service are regular visitors to our school. We are very grateful for their input in helping to keep children safe and inform them about Fire Safety. This week it was Year 1s turn to learn about fire pumps and water.

And Finally,

In preparation for Number Day, some members of staff played the game Connect 4 against children in assembly. Miss Pickard and Mrs Cottham put up a good defence, but they were comprehensively beaten by the superior logic strategies of Trinity and Shay.

Have a good weekend
