Exciting FREE Essex Book Festival activities at firstsite gallery this Saturday 3rd March. Children have been given free bookmarks to take home and colour in. Please do support the activities at Firstsite.

#### Duxford Trip

The children in Castle and Cavalier had a fantastic time at Duxford last week. They saw a range of aircraft and even boarded Concorde! Their behaviour was impeccable and they can bring what they learnt back to the classroom, to support their Theme about 'Machines'.

#### Reading

Please remember that our aim is for every child to read 5 times a week at home. Our Middle Phase classes have a high percentage of children who achieve this and it is fantastic. Please keep up the hard work. There is a direct link between children's love and ability for reading and their writing.

#### Mad Scientist Day

The children in Year 2 had a fantastic morning last Friday. We had Dr Dude into school who demonstrated various different chemical reactions, showed the children how forces work and much more. The children had fun whilst learning about Science and couldn't wait to share their learning back in the classroom.

**You can Find

Sit Back & Relax,

#### Snow!

The children have been enjoying the snow, with mini snowmen being built and some snowballs being thrown. Could we please remind you that we want the children to be able to enjoy the snow, therefore please make sure they come to school in appropriate clothing. They will be able to store wellies outside their classrooms.
