Cookies and Fruit Salads in Chariot Class

Last Friday the children in the Chariot class made cookies and a fruit salad to put in 'Little Red Riding Hoods' basket to take to Granny's House. In groups the children measured, mixed and rolled out their cookies. Whilst they were cooking the children set about cutting up the selection of fruit for the fruit salad. Once everything was prepared the children set about eating their efforts and as you can imagine this was their favourite part.

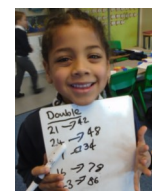

Prayer Space

This week the children have been taking part in a wide range of activities in the prayer space. These have included finding out about calm spaces and how to relax, discussing worries and how to share them and learning about homelessness. The children all got a lot from the sessions which led to some interesting discussions when they went back to their classroom.

Learning in the Year 1

The Year 1 children in Maths have been focusing on different ways of counting. They have counted in 10s, 5s and 2s. After counting orally they recorded their patterns on white boards and then used their knowledge to solve problems. By the end of the week children were starting to double numbers.
