The school are very happy to have been able to take part in Colchester Primary Sports League again. Our first match was against Montgomery where we played a fantastic game of football winning 5-1.

Every Tuesday we have the Tuesday Trot to help get children and parents moving.

Thanks to the Sports Premium Funding, we have been able to subsidise the cost to parents for the three residential our school provides which enriches the children's learning of outdoor activities such as abseiling and kayaking.

We have supported a former student by facilitating a free after school club for 10 Year 2 children where they have been taught football skills to help him achieve his coaching qualification for his college course.
