- Year 2 (Romans) - Harrison Elliott

We ♥ Maths

We are all writers ...

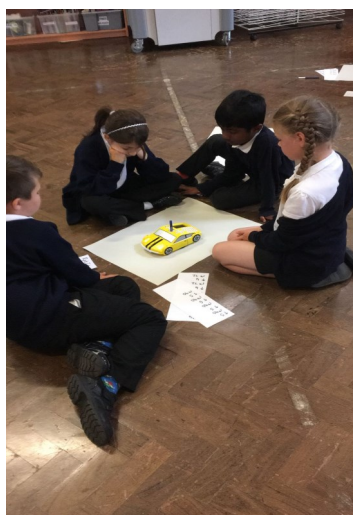

We are growing our learning

Computing Week

This week the children have been enjoying a week learning about programming and computing skills. Here are some members of class Paxman who are working with Beebots, programming and giving directions around various maps.

World Ocean Day

On Monday the children did a lot of work about our world oceans and how we can help to limit and reduce the amount of plastic waste that ends up in our seas.

KEEP CALM AND SAVE THE OCEANS

NON-UNIFORM DAY FRIDAY 22nd JUNE

For the privilege of wearing non-uniform, please make a donation to the Summer Fair (which takes place on Friday 29th June 5.00 – 7.00 p.m.)

Instead of sending in money, could parents please send their children in to school with an item suitable for the Fair (e.g. items for the children's tombola stall or lucky dip (small toys/games, small packets of sweets (not chocolate), stationery, notebooks etc) or items for the gift tombola. We also need items for our refreshment stall (e.g. canned drinks, packets of biscuits, crisps etc). We **do not** need tinned/packeted items for a food tombola.

We urgently need brand new items suitable for our main raffle. Any glass items please hand directly to the school office.

Many thanks for your continued support !!!

Iceni Idea

Some of our Year 3 girls from Iceni Class wanted to have a competition. They would like to hold a competition for the best poster across Middle Phase which shows the plight of our oceans. Angel and Alisha have asked that all entries are handed in to me (Mrs Skinner) and the deadline will be 29th July. The best poster will receive a prize and the poster will be put up in the Upper Hall for all to see.
